Irish-American Heritage Month (March) and St. Patrick's Day (March 17): 2010

Originally a religious holiday to honor St. Patrick, who introduced Christianity to Ireland in the fifth century, St. Patrick's Day has evolved into a celebration for all things Irish. The world's first St. Patrick's Day parade occurred on March 17, 1762, in New York City, featuring Irish soldiers serving in the English military. This parade became an annual event, with President Truman attending in 1948. Congress proclaimed March as Irish-American Heritage Month in 1995, and the President issues a proclamation each year.

Population Distribution

36.3 million

Number of U.S. residents who claimed Irish ancestry in 2008. This number was more than eight times the population of Ireland itself (4.4 million). Irish was the nation's second most frequently reported ancestry, trailing only German.
